Ball RSVP How To

This message is sent to all cadets and BCC to their parents and others concerned.

There is a procedure in the **Ball RSVP process** that everyone needs to understand and follow, please.

The online RSVP **form collects email addresses** and must be completed in full the first time. You can **only do one RSVP per email** address.

Cadets need to use their school email accounts. Cadets need to **do their own RSVP.**

Parents can use their private email accounts and **do their own RSVP.** **Parents should not RSVP for their cadets and must not be logged in as a cadet when replying.**

Students (non-cadets) that the cadets are inviting will get the link to the online RSVP sent to them once they turn in their **Ball Letter** signed by their parents. They will then RSVP on their own.

Please click Submit at the bottom of RSVP Form once completed. After you submit, you will get a reply that includes a link to MySchoolBucks to make your payment.

Payments are done separately on MySchoolBucks. Payment is not an RSVP. You may purchase as many as you RSVP for. This should be done by parents, not cadets.

Please let me know if you have any questions.

Warm regards,

Lt. Commander Mark Dwinells USN (Ret)
